WHITE

Chateaux Les Charmes de Godard,
Cotes De Francs, Bordeaux

This fantastic white would cost twice as much if it were in Pessac-Leognan. A blend of Semillon, Sauvignon Blanc, Sauvignon Gris and Muscadelle has produced a linear, fruit driven wine with flavours of peach and apricot, underpinned by fine oak.

Grown on white chalk soils this excellent Loire Valley wine has a fresh and intense nose of citrus fruits, almond and gunflint. A fresh fruit driven mouth and mineral finish.

Sumaridge Estate Chardonnay

Delicately fruity and has very well integrated oak ageing. This combined with the lively minerality derived from the soil and cool maritime climate makes it a match for white burgundy!
